

The Adult Competition Committee is in the process of selecting a group of elite players to represent Kentucky at the 19th Annual Southern Senior Cup Championships in Columbus, Georgia, June 3<sup>rd</sup> –June 5<sup>th</sup>. The event is the “crown jewel” of adult competition in the south and features the top players in the Men’s and Women’s 35-75 age groups. Each age division, men’s and women’s, is comprised of a team of three to four players who will compete against another state in two singles matches and one doubles match, with the winner advancing in the tournament. Each age division is guaranteed two rounds of competition.

If you would like to be considered for selection to the team or would like to nominate another player, please complete the following form and send to the USTA Kentucky office by March 14th. The Adult Tennis Committee will select team members based on USTA rating, state, southern, or national ranking, league play results, and tennis history. The goal of the committee is to send Kentucky’s best players to this prestigious event. The team will be announced in April.
